Preheat oven to 350°, blend cherry pie filling in blender or food processor until desired consistency and then mix with other ingredients (DO NOT follow box directions). Grease and flour a 9 x 13" cake pan, and pour mixture in. Bake for 25-30 minutes until done.

Cont. on back

In a small sauce pan, heat butter, sugar and milk, stirring constantly. Boil for 1 minute until syrup-like. Remove from heat and stir in chocolate chips, until melted. Poke holes in the cake for fudge to soak down as well as to stay on top. Pour frosting over warm cake.

To keep potatoes from budding, place an apple in the bag with the potatoes.
