Resume Summary

Licensed ICU RN and travel nurse with 7+ years of experience. Skilled in patient care, communication, education, and infectious disease control. Seeking to take the burden off healthcare teams in Tampa, FL. Operated ventilators during 50+ shifts and instructed ~15 precept nurses in gloving and gowning at Barstow RMH.

License

- Registered Nurse, Wisconsin Board of Nursing. License #0000000

Work Experience

Travel Nurse

Barstow RMH, AZ

March 2020 – June 2020

- Worked in 20-bed infectious disease ward, conducting patient care, education, nurse training, wound dressing, intake, and discharge.
- Instructed ~15 precept nurses in best practices for gloving and gowning. Result: RNs who had been failing to glove and gown achieved 99% compliance.
- Helped reduce regulated medical waste costs 50% by leading a program to label non-regulated bins more clearly and train all support staff in the difference.

RN

Bluefield CMC, WV

June 2016 – Feb 2020

- Worked in a 20-bed infectious disease ward for 4 years.
- Collaborated with 6 nurses, 3 doctors, and 2 hospital administrators to rewrite and improve disease transmission protocols, resulting in 30% less risk.
- Traveled to satellite facilities 20+ times per year to fill in and provide guidance.

Education

University of Wisconsin

Bachelor of Science in Nursing

Graduated: June 2016

Certifications

- CIC Infection Prevention, APIC (2020)
- Patient Care Technician (2016)
